Application No. , and

WHEREAS, The Boeing Company, a corporation of the State of Delaware, having its
principal place of business at 100 North Riverside Plaza, Chicago, Illinois 60606-1596,
hereinafter referred to as Assignee, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy
whereof is hereby acknowledged, Assignor by these presents does sell, assign and transfer
unto Assignee and its successors in interest, the full and exclusive right, title and interest in
the United States of America and all foreign countries, including the right to claim priority
under the laws of the United States, the Paris Convention, and any foreign countries, to the
said invention as described in the aforesaid application, said application for patent and all
Letters Patent therefor to be held and enjoyed by Assignee to the full end of the term for
which said Letters Patent are granted and any extensions thereof as fully and entirely as the
same would have been held by Assignor had this assignment and sale not been made;

Assignor hereby covenants and agrees to execute all instruments or documents
required or requested for the making and prosecution of any applications of any type for
patent in the United States and in all foreign countries including, but not limited to, any
provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and
as to letter patent any reissue, re-examination, or extension thereof, and for litigation
regarding, or for the purpose of protecting title and to the said invention, the United States
application for patent, or Letters Patent therefor, for the benefit of Assignee without further or
other compensation than that above set forth;

Assignor hereby covenants that no assignment, sale or agreement or encumbrance
has been or will be entered into which would conflict with this Assignment; and

Assignor hereby requests the Commissioner of Patents and Trademarks to issue
said Letters Patent of the United States of America to Assignee, and requests that any
official of any country or countries foreign to the United States, whose duty it is to issue or
grant patents and applications as aforesaid, to issue said Letters Patent, Utility Model
Registration or Inventor's Certificate to Assignee.

Assignor hereby authorizes an attorney authorized to prosecute this patent
application to insert here in parentheses (Application No. , filed) the filing date
and application number of said application when known.
