Jerry L. Wolf, residing at 425 Huffman Bluff, Keller, TX 76248.

(hereinafter referred to as "the Undersigned"), having made an invention entitled **ELECTRODE HEATING WITH REMEDIATION AGENT** for which an application for United States Letters Patent was filed on November 23, 2004, having a Serial No. 10/995,463.

WHEREAS, Thermal Remediation Services, a corporation formed under the laws of the state of Washington with offices at 2325 Hudson Street, Longview, WA 98632, (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in said invention, said applications and all letters patent issuing for said invention,

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Undersigned, intending to be legally bound, does hereby sell, assign and transfer to the Assignee the entire right, title and interest, for the United States of America, its territories and possessions, and for all foreign countries, in said invention, including said patent applications, all divisions and continuations thereof, all rights to claim priority based thereon, all rights to file foreign applications on said invention, and all letters patent and reissues thereof, issuing for said invention in the United States of America and in any and all foreign countries.

It is agreed that the Undersigned shall be legally bound, upon request of the Assignee, or its successors or assigns or legal representative thereof, to supply all information and evidence of which the Undersigned has knowledge or possession, relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention in the United States of America and foreign countries in the name of the Assignee, and to execute all instruments proper to carry out the intent of this instrument. If the Undersigned includes more than one individual, these obligations shall apply to all of the Undersigned both individually and collectively.
