PATENT APPLICATION ASSIGNMENT

In consideration of One Dollar (\$1.00), PolyRemedy LLC, a limited liability company of the State of California having a place of business at 1257 South Mary Avenue, Sunnyvale, California 94087, State of California, hereby assigns to PolyRemedy, Inc., a Delaware corporation having a principal place of business at 1257 South Mary Avenue, Sunnyvale, California 94087, State of California, its entire right, title and interest in and to the inventions which are the subject matter of the United States patent applications below-listed in all countries of the world, and the right of priority under the International Convention for the Protection of Industrial Property, the Inter-American Convention relating to Inventions, Patents, Designs and Industrial Models, and any other convention, treaty or reciprocal agreement to which the United States is a party concerning priority in inventions, patents, design, inventor's certificates, industrial property or industrial models, and any and all applications for Letters Patents or Inventor's Certificates which have heretofore or may hereafter be filed on said inventions in any country or countries, as well as any and all Letters Patents and Inventor's Certificates which may be granted on any such patent applications, including all extensions, continuations, divisions, reissues and renewals thereof; the same to be held and enjoyed by PolyRemedy, Inc. for its own use and behoof and for the use and behoof of its successors and assigns as fully and entirely as the same would have been held and enjoyed by PolyRemedy LLC had this assignment not been made;

PolyRemedy LLC covenants that it has not and will not execute any instrument or take any action contrary to this assignment, nor encumber the title of PolyRemedy, Inc. in, to and under said inventions, applications, Letters Patents and Inventor's Certificates, and that PolyRemedy LLC has the right to execute this instrument;

AND, PolyRemedy LLC hereby represents and warrants that it has not previously assigned or granted any rights in the invention that is the subject matter of this patent application to any individual, corporation, limited liability company, partnership or other entity or organization. PolyRemedy LLC further hereby agrees to fully indemnify and hold harmless PolyRemedy, Inc. for all damage, loss, liability, claim and expense (including reasonable

expenses of investigation and reasonable consultants and attorneys fees) arising out of a breach of the foregoing representation.
