**ASSIGNMENT**

For good and valuable consideration, the receipt of which is hereby acknowledged, CDEM Holland, a Netherlands corporation having a place of business at Terborgseweg 52, 7005 AA DOETINCHEM, The Netherlands, for itself, its assigns and legal representatives ("Assignor") hereby:

1. Sells, assigns and transfers to Minplus B.V., a Netherlands corporation having a place of business at Nedereindse weg 445, 3437 PL Nieuwegein, The Netherlands, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, Assignor's entire right, title and interest for the United States, in and to any and all inventions and designs which are disclosed in the application for United States Letters Patent Nos. 5,897,688, issued April 27, 1999 and 5,868,829, issued February 9, 1999, and in and to all non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States on said inventions;
2. Agrees that said Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for said inventions in its own name; and when requested, without charge to but at the expense of said Assignee, agrees to carry out in good faith the intent and purpose of this assignment, by executing all such further assignments, powers of attorney and other papers, and by communicating to said Assignee all facts known to it relating to said inventions and the history thereof, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee;
3. Requests the Honorable Director of the United States Patent and Trademark Office and non-US patent authorities to issue said Letters Patent to said Assignee;
4. Authorizes and requests Wolf, Greenfield & Sacks, P.C. to supply any missing patent/application identification information or correct any errors in the patent/application identification information provided above and in any attached Schedule, whether discovered prior to or after recordation; and
5. Covenants with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor

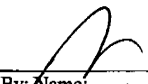

This instrument is executed under seal.
