RELEASE OF ASSIGNMENT FOR SECURITY OF PATENTS

THIS RELEASE is made as of this 16th day of July, 2005, by Wells Fargo Foothill, Inc., formerly known as Foothill Capital Corporation, in its capacity as Agent ("Agent"), in favor of Telxon Corporation ("Company") a Delaware corporation.

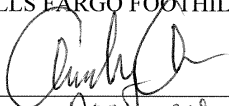

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and adequacy of which are hereby acknowledged, Agent hereby unconditionally and expressly releases, terminates, and extinguishes any and all of its right, title and interest in and to any and all liens and security interests it may have upon, all of the patents and patent applications listed on Schedule A attached hereto and made a part hereof, which liens and security interests were established under and pursuant to that certain Patent, Trademark, Copyright and License Mortgage dated as of August 26, 1999 (the "Agreement"), made by Company in favor of Agent.

All obligations and duties listed under the Agreement to the extent they relate solely to items listed in Schedule A are hereby released and terminated, and Agent hereby expressly releases and discharges without limitation all claims, demands and causes of action that it may now have or might subsequently accrue to it arising out of or connected with directly or indirectly, the Agreement to the extent they relate solely to the items in Schedule A

Agent consents and agrees to execute and deliver, at the request and cost of Company, such further instruments, documents and release forms as Company may reasonably request to more effectively, release, terminate and extinguish any such liens and security interests upon such patents and patent applications.

This Release shall be binding upon Agent's legal representatives, assigns and successors.
