ASSIGNMENT

International Patent Application No.: PCT/US02/39416

International Filing Date: December 11, 2002

Attorney Docket No.: 100087-020

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to Pirelli Cavi e Sistemi S.p.A., a corporation having its principal place of business at Viale Sarca 222, 20126 Milan, Italy, its successors, legal representatives and assigns, the entire right, title and interest in my invention or discovery in "ELECTRICAL CABLE WITH FOAMED SEMICONDUCTIVE INSULATION SHIELD" and in the international patent application for same as executed by the undersigned Frank L. Kuchta on January 13, 2003 and Chengjun Liu on January 13, 2003 and filed in the United States Receiving Office on the date set forth above, and in any National Phase filings and any reissue, extension, division or continuation of any Letters Patent that may be granted upon said application or applications.

I hereby authorize and request that any Letters Patent which may be granted upon said application or applications be issued to said Pirelli Cavi e Sistemi S.p.A. (the "Assignee").

For said consideration, I hereby agree upon the request of said Assignee, its successors, legal representatives and assigns, to execute any and all divisional and continuation applications for said invention or discovery, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said Assignee, its successors, legal representatives or assigns may deem necessary or expedient, and for the said consideration I further agree upon the request of said Assignee, its successors, legal representatives or assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of my ability with said Assignee, its successors, legal representatives or assigns in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and I hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in said Assignee, its successors, legal representatives and assigns as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made. For said consideration I hereby also assign to said Pirelli Cavi e Sistemi S.p.A., its successors, legal representatives and assigns, the entire right, title and interest in said invention or discovery for any and all National phase filings, including all priority rights under convention, agreement or treaty, and agree upon the request of said Pirelli Cavi e Sistemi S.p.A., its successors, legal representatives and assigns, to execute any and all documents that shall be required of me to be executed in connection with any and all National phase filings therefor, including the prosecution thereof, and any proceedings thereon, and to execute any and all documents necessary to vest title in said National phase filings and patents in said Assignee.
