ASSIGNMENT

Serial No: 29/237,206

Filed: August 25, 2005

Title: LIQUID-DISPENSING ATTACHMENT FOR VACUUM CLEANERS

For \$10.00 (Ten Dollars) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assign to SHOP VAC CORPORATION, 2323 Reach Road, Williamsport, Pennsylvania 17701 (hereinafter "Assignee"), its successors and assigns, the entire right, title, and interest in the invention or improvements of the undersigned disclosed in an application for letters patent of the United States, and in said application and any and all other applications, both United States and foreign, that the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all letters patent of the United States and foreign countries, that may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner for Patents to issue said letters patent to said Assignee.

The undersigned hereby authorize and request that the attorneys of record in said application insert in this assignment the execution date and/or filing date and serial number of said application when officially known.

The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned except in favor of Assignee.

For said consideration the undersigned hereby agree, upon the request and at the expense of said Assignee, its successors, and its assigns, to execute any and all applications on said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any letters patent that may be granted upon any and all of said applications, and any and all applications and other documents for letters patent in other countries on said invention or improvements, that said Assignee, its successors, or its assigns, may deem necessary or expedient, and for said consideration the undersigned further agree upon the request of said Assignee, its successors, or its assigns, in the event of any application or letters patent assigned herein becoming involved in interference or opposition, to cooperate to the best of the ability of the undersigned with said Assignee, its successors, or its assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said letters patent, both in the United States and in other countries, and vest all rights therein hereby conveyed in said Assignee, its successors, and its assigns, whereby said letters patent will be held and enjoyed by said Assignee, its successors, and its assigns to the full end of the term for

MARSHALL, GERSTEIN & BORUN LLP, 233 S. Wacker Drive, Suite 6300, Sears Tower, Chicago, Illinois 60606-6357

which said letters patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
