ASSIGNMENT

Chao Hui-Chen a.k.a. Hui-Chen Chao ("Chao"), having an address of 75, Liao Tsuo Hsiang, Liao Tsuo Li, Lu Kang Chen, Chang Hua Hsien, Taiwan, is the owner of an invention for an ornamental design entitled Water Sprayer, hereinafter called the "invention."

A preferred embodiment of said invention is disclosed in a United States Patent No. Des. 410,994 which issued on June 15, 1999.

The Assignee, Orbit Irrigation Products, Inc., a corporation of the State of Utah, having an address of 845 North Overland Road, North Salt Lake, Utah 84054, desires to secure the entire right, title and interest in said invention.

In consideration of \$10.00 and other good and valuable consideration paid to Chao by the Assignee, the receipt and sufficiency of which Chao hereby acknowledges, Chao HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest in said invention, in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, all reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Any and all legal and equitable rights or remedies associated with ownership of this invention. Such legal and equitable rights and remedies include, but are not limited to, the right to sue, bring or maintain any claim or cause of action, or collect or receive damages or other forms of legal or equitable relief for any and all acts of patent infringement, including those acts of patent infringement which occurred or which may have occurred before the date of this Assignment.

Chao hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives.

Chao hereby agrees, without further consideration and without further expense, to sign all lawful papers and to perform all other lawful acts which the Assignee may request to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Chao's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon the successors and assigns of the parties, including, but not limited to, their heirs and legal representatives.

Executed this 15 day of Oct, 2005, at Shin Tai
