This Security Agreement (as amended, modified or otherwise supplemented from time to time, this "**Security Agreement**"), dated as of April 11, 2002, is executed by **SYNTERA CORPORATION**, a Delaware corporation (together with its successors and assigns, "**Company**"), in favor of **COLLATERAL AGENT** (as herein defined) on behalf of the Investors listed on the signature pages hereof.

RECITALS

A. Company and the Investors have entered into a Note Purchase Agreement, dated as of the date hereof (the "**Purchase Agreement**"), pursuant to which the Company has issued secured convertible promissory notes, dated as of the date hereof, and will be issuing additional secured convertible promissory notes, to be dated when issued, all as amended, modified or otherwise supplemented from time to time, (each a "**Note**" and collectively, the "**Notes**") each in the principal amount as stated in each Note in favor of the Investors.

B. In order to induce each Investor to extend the credit evidenced by the Notes, Company has agreed to enter into this Security Agreement and to grant Collateral Agent, for the benefit of itself and the Investors, the security interest in the Collateral described below.

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Company hereby agrees with Collateral Agent and the Investors as follows:

1. Definitions and Interpretation. When used in this Security Agreement, the following terms have the following respective meanings:

"**Collateral**" has the meaning given to that term in Section 2 hereof.

"**Obligations**" means all loans, advances, debts, liabilities and obligations, howsoever arising, owed by Company to Collateral Agent and the Investors of every kind and description (whether or not evidenced by any note or instrument and whether or not for the payment of money), now existing or hereafter arising under or pursuant to the terms of the Notes and the other Transaction Documents, including, all interest, fees, charges, expenses, attorneys' fees and costs and accountants' fees and costs chargeable to and payable by Company hereunder and thereunder, in each case, whether direct or indirect, absolute or contingent, due or to become due, and whether or not arising after the commencement of a proceeding under Title 11 of the United States Code (11 U.S.C. Section 101 et seq.), as amended from time to time (including post-petition interest) and whether or not allowed or allowable as a claim in any such proceeding.

"**Permitted Liens**" means (a) Liens for taxes not yet delinquent or Liens for taxes being contested in good faith and by appropriate proceedings for which adequate reserves have been

established; (b) Liens in respect of property or assets imposed by law which were incurred in the ordinary course of business, such as carriers', warehousemen's, materialmen's and mechanics' Liens and other similar Liens arising in the ordinary course of business which are not delinquent or remain payable without penalty or which are being contested in good faith and by appropriate proceedings; (c) Liens incurred or deposits made in the ordinary course of business in connection with workers' compensation, unemployment insurance and other types of social security, and mechanic's Liens, carrier's Liens and other Liens to secure the performance of tenders, statutory obligations, contract bids, government contracts, performance and return of money bonds and other similar obligations, incurred in the ordinary course of business, whether pursuant to statutory requirements, common law or consensual arrangements; (d) Liens in favor of the Collateral Agent; (e) Liens securing obligations under a capital lease if such Liens do not extend to property other than the property leased under such capital lease; and (f) Liens upon any equipment acquired or held by Company or any of its Subsidiaries to secure the purchase price of such equipment or indebtedness incurred solely for the purpose of financing the acquisition of such equipment, so long as such Lien extends only to the equipment financed, and any accessions, replacements, substitutions and proceeds (including insurance proceeds) thereof or thereto, (g) Liens which constitute rights of setoff of a customary nature or banker's liens, whether arising by law or by contract; and (h) Leases or subleases and licenses or sublicenses granted in the ordinary course of Company's business.

"UCC" means the Uniform Commercial Code as in effect in the State of California from time to time.

All capitalized terms not otherwise defined herein shall have the respective meanings given in the Notes. Unless otherwise defined herein, all terms defined in the UCC have the respective meanings given to those terms in the UCC.

2. Grant of Security Interest. As security for the Obligations, Company hereby pledges to Collateral Agent and grants to Collateral Agent a security interest of first priority in all right, title and interests of Company in and to the property described in Attachment 1 hereto, whether now existing or hereafter from time to time acquired (collectively, the "Collateral"). Notwithstanding the foregoing, the security interest granted herein shall not extend to and the term "Collateral" shall not include any property, rights or licenses to the extent the granting of a security interest therein would be contrary to applicable law.

3. General Representations and Warranties. Company represents and warrants to Collateral Agent and the Investors that (a) Company is the owner of the Collateral (or, in the case of after-acquired Collateral, at the time Company acquires rights in the Collateral, will be the owner thereof) and that no other Person has (or, in the case of after-acquired Collateral, at the time Company acquires rights therein, will have) any right, title, claim or interest (by way of Lien or otherwise) in, against or to the Collateral, other than Permitted Liens; (b) upon the filing of UCC-1 financing statements in the appropriate filing offices, Collateral Agent has (or in the case of after-acquired Collateral, at the time Company acquires rights therein, will have) a first priority perfected security interest in the Collateral to the extent that a security interest in the Collateral can be perfected by such filing, except for Permitted Liens; (c) all Inventory has been (or, in the case of hereafter produced Inventory, will be) produced in compliance with applicable laws, including the Fair Labor Standards Act; (d) all accounts receivable and payment intangibles are genuine and enforceable

4. Representations and Warranties regarding Intellectual Property. Company represents and warrants to Collateral Agent and the Investors that: (a) Company does not own any patents, trademarks, copyrights or mask works registered in, or the subject of pending applications in, the Patent and Trademark Office or the Copyright Office or any similar offices or agencies in any other country or any political subdivision thereof, other than those described on Schedule A hereto; (b) Company has, except for Permitted Liens, the sole, full and unencumbered right, title and interest in and to the trademarks shown on Schedule A and the goods and services covered by the registrations thereof and, to the extent registered, such registrations are valid and enforceable and in full force and effect; (c) Company has, except for Permitted Liens, the sole, full and unencumbered right, title and interest in and to each of the patents shown on Schedule A and the registrations thereof are valid and enforceable and in full force and effect; (d) Company has, except for Permitted Liens, the sole, full and unencumbered right, title and interest in and to each of the copyrights shown on Schedule A and according to the records of the Copyright Office, each of said copyrights is valid and enforceable and in full force and effect; (e) Company has, except for Permitted Liens, the sole, full and unencumbered right, title and interest in and to the mask works shown on Schedule A and according to the records of the Copyright Office, each of said mask works is valid and enforceable and in full force and effect; (f) there is no claim by any third party that any patents, trademarks, copyrights or mask works are invalid and unenforceable or do or may violate the rights of any Person; (g) all licenses (other than non-exclusive licenses to end-users) of patents, trademarks, copyrights, mask works and trade secrets which Company has granted to any Person are set forth in Schedule A hereto; (h) all licenses of patents, trademarks, copyrights, mask works and trade secrets which any Person has granted to Company are set forth on Schedule A hereto; (i) Company has obtained from each employee who may be considered the inventor of patentable inventions (invented within the scope of such employee's employment) an assignment to Company of all rights to such inventions, including patents; and (j) Company has taken all reasonable steps necessary to protect the secrecy and the validity under applicable law of all material trade secrets.

5. Covenants Relating to Collateral. Company hereby agrees (a) to perform all acts that may be necessary to maintain, preserve, protect and perfect the Collateral, the Lien granted to Collateral Agent therein and the perfection and priority of such Lien, except for Permitted Liens; (b) not to use or permit any Collateral to be used (i) in violation in any material respect of any applicable law, rule or regulation, or (ii) in violation of any policy of insurance covering the Collateral; (c) to pay promptly when due all taxes and other governmental charges, all Liens and all other charges now or hereafter imposed upon or affecting any Collateral; (d) without 30 days' written notice to Collateral Agent, (i) not to change Company's name or place of business (or, if Company has more than one place of business, its chief executive office), or the office in which Company's records relating to accounts receivable and payment intangibles are kept, (ii) not to change Company's state of incorporation, (iii) not to keep Collateral consisting of chattel paper at any location other than its chief executive office, and (iv) not to keep Collateral consisting of equipment or inventory at any location other than its chief executive office, (f) to procure, execute and deliver

from time to time any endorsements, assignments, financing statements and other writings reasonably deemed necessary or appropriate by Collateral Agent to perfect, maintain and protect its Lien hereunder and the priority thereof and to deliver promptly to Collateral Agent all originals of Collateral consisting of instruments; (g) to appear in and defend any action or proceeding which may affect its title to or Collateral Agent's interest in the Collateral; (h) if Collateral Agent gives value to enable Company to acquire rights in or the use of any Collateral, to use such value for such purpose; (i) to keep separate, accurate and complete records of the Collateral and to provide Collateral Agent with such records and such other reports and information relating to the Collateral as Collateral Agent may reasonably request from time to time; (j) not to surrender or lose possession of (other than to Collateral Agent), sell, encumber, lease, rent, or otherwise dispose of or transfer any Collateral or right or interest therein, and to keep the Collateral free of all Liens except Permitted Liens; provided that Company may sell, lease, transfer, license or otherwise dispose of any of the Collateral in the ordinary course of business consisting of (i) the sale of inventory, (ii) sales of worn-out or obsolete equipment, and (iii) non-exclusive licenses and similar arrangements for the use of the property of Company; (k) if requested by Investor, to type, print or stamp conspicuously on the face of all original copies of all Collateral consisting of chattel paper a legend satisfactory to Collateral Agent indicating that such chattel paper is subject to the security interest granted hereby; (l) to collect, enforce and receive delivery of the accounts receivable and payment intangibles in accordance with past practice until otherwise notified by Collateral Agent; (m) to comply with all material requirements of law relating to the production, possession, operation, maintenance and control of the Collateral (including the Fair Labor Standards Act) and (n) to permit Collateral Agent and its representatives the right, at any time during normal business hours, upon reasonable prior notice, to visit and inspect the properties of Company and its corporate, financial and operating records, and make abstracts therefrom, and to discuss Company's affairs, finances and accounts with its directors, officers and independent public accountants.

6. Covenants Regarding Intellectual Property. Company hereby agrees:

(a) Company will perform all acts and execute all documents, including notices of security interest for each relevant type of intellectual property in forms suitable for filing with the Patent and Trademark Office or the Copyright Office, that may be necessary or desirable to record, maintain, preserve, protect and perfect Collateral Agent's interest in the Collateral, the Lien granted to Collateral Agent in the Collateral and the first priority of such Lien;

(b) Except to the extent that Collateral Agent gives its prior written consent:

(i) Company (either itself or through licensees) will continue to use its trademarks in connection with each and every trademark class of goods or services applicable to its current line of products or services as reflected in its current catalogs, brochures, price lists or similar materials in order to maintain such trademarks in full force and effect free from any claim of abandonment for nonuse, and Company will not (and will not permit any licensee thereof to) do any act or knowingly omit to do any act whereby any material trademark may become invalidated;

(ii) Company will not do any act or omit to do any act whereby any material patent registrations may become abandoned or dedicated to the public domain or the remedies available against potential infringers weakened and shall notify Collateral Agent

immediately if it knows of any reason or has reason to know that any patent registration may become abandoned or dedicated; and

(iii) Company will not do any act or omit to do any act whereby any material copyrights or mask works may become abandoned or dedicated to the public domain or the remedies available against potential infringers weakened and shall notify Collateral Agent immediately if it knows of any reason or has reason to know that any copyright or mask work may become abandoned or dedicated to the public domain.

(c) Company will promptly (and in any event within 5 business days') notify Collateral Agent upon the filing, either by Company or through any agent, employee, licensee or designee, of (i) an application for the registration of any patent, trademark, copyright or mask work with the Patent and Trademark Office or the Copyright Office or any similar office or agency in any other country or any political subdivision thereof, (ii) any assignment of any patent or trademark, which Company may acquire from a third party, with the Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, or (iii) any assignment of any copyright or mask work, which Company may acquire from a third party, with the Copyright Office or any similar office or agency in any other country or any political subdivision thereof. Upon the request of Collateral Agent, Company shall execute and deliver any and all assignments, agreements, instruments, documents and papers as Collateral Agent may request to evidence Collateral Agent's security interest in such patent, trademark (and the goodwill and general intangibles of Company relating thereto or represented thereby), copyright or mask work, and Company authorizes Collateral Agent to amend an original counterpart of the applicable notice of security interest executed pursuant to Section 6(a) of this Security Agreement without first obtaining Company's approval of or signature to such amendment and to record such document with the Patent and Trademark Office or Copyright Office, as applicable.

(d) Company will take all necessary steps in any proceeding before the Patent and Trademark Office, the Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to diligently prosecute or maintain, as applicable, each application and registration of the patents, trademarks, copyrights and mask works, including filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings (except to the extent that dedication, abandonment or invalidation is permitted hereunder);

(e) While any Obligations are outstanding, Company shall (i) make application to the Patent and Trademark Office to register any material unpatented but patentable inventions developed by Company or its employees (within the scope of their employment), unless Company, in the exercise of its reasonable business judgment, deems any such patent not to have any significant commercial value or determines that its rights thereunder are better preserved as a trade secret; (ii) make application to the Patent and Trademark Office to register any registerable but unregistered material trademarks used by Company in connection with its products or services; and (iii) make application to the Copyright Office to register any material unregistered copyright or mask work to which Company has rights;

(f) Company shall (i) use proper statutory notice in connection with its use of the patents, trademarks, copyrights and mask works, (ii) maintain consistent standards of quality in its manufacture of products sold under the trademarks or provision of services in connection with the trademarks, and (iii) take all steps necessary to protect the secrecy and the validity under applicable law of all material trade secrets;

(g) Company agrees that if it learns of any use by any Person of any term or design likely to cause confusion with any trademark, Company shall promptly notify Collateral Agent of such use and of all steps taken and to be taken to remedy any infringement of any trademark; and

(h) Company shall maintain with each employee who may have access to the trade secrets of Company an agreement by which such employee agrees not to disclose such trade secrets and with each employee who may be the inventor of patentable inventions (invented within the scope of such employee's employment) an invention assignment agreement requiring such employee to assign all rights to such inventions, including patents and patent applications, to Company and further requiring such employee to cooperate fully with Company, its successors in interest, including Collateral Agent, and their counsel, in the prosecution of any patent application or in any litigation involving the invention, whether such cooperation is required during such employee's employment with Company or after the termination of such employment.

7. Authorized Action by Collateral Agent. Company hereby irrevocably appoints Collateral Agent as its attorney-in-fact (which appointment is coupled with an interest) and agrees that Collateral Agent may perform (but Collateral Agent shall not be obligated to and shall incur no liability to Company or any third party for failure so to do) any act which Company is obligated by this Security Agreement to perform, and to exercise such rights and powers as Company might exercise with respect to the Collateral, including the right to (a) collect by legal proceedings or otherwise and endorse, receive and receipt for all dividends, interest, payments, proceeds and other sums and property now or hereafter payable on or on account of the Collateral; (b) enter into any extension, reorganization, deposit, merger, consolidation or other agreement pertaining to, or deposit, surrender, accept, hold or apply other property in exchange for the Collateral; (c) make any compromise or settlement, and take any action it deems advisable, with respect to the Collateral; (d) insure, process and preserve the Collateral; (e) pay any indebtedness of Company relating to the Collateral; and (f) execute UCC financing statements and other documents, instruments and agreements required hereunder; provided, however, that Collateral Agent shall not exercise any such powers granted pursuant to subsections (a) through (c) prior to the occurrence of an Event of Default and shall only exercise such powers during the continuance of an Event of Default. Company agrees to reimburse Collateral Agent upon demand for any reasonable costs and expenses, including attorneys' fees, Collateral Agent may incur while acting as Company's attorney-in-fact hereunder, all of which costs and expenses are included in the Obligations. It is further agreed and understood between the parties hereto that such care as Collateral Agent gives to the safekeeping of its own property of like kind shall constitute reasonable care of the Collateral when in Collateral Agent's possession; provided, however, that Collateral Agent shall not be required to make any presentment, demand or protest, or give any notice and need not take any action to preserve any rights against any prior party or any other person in connection with the Obligations or with respect to the Collateral.

8. Litigation and Other Proceedings

(a) Company shall have the right and obligation to commence and diligently prosecute such suits, proceedings or other actions for infringement or other damage, or reexamination or reissue proceedings, or opposition or cancellation proceedings as are reasonable to protect any of the patents, trademarks, copyrights, mask works or trade secrets. No such suit, proceeding or other actions shall be settled or voluntarily dismissed, nor shall any party be released or excused of any claims of or liability for infringement, without the prior written consent of Collateral Agent, which consent shall not be unreasonably withheld.

(b) Upon the occurrence and during the continuation of an Event of Default, Collateral Agent shall have the right but not the obligation to bring suit or institute proceedings in the name of Company or Collateral Agent to enforce any rights in the Collateral, including any license thereunder, in which event Company shall at the request of Collateral Agent do any and all lawful acts and execute any and all documents reasonably required by Collateral Agent in aid of such enforcement. If Collateral Agent elects not to bring suit to enforce any right under the Collateral, including any license thereunder, Company agrees to use all reasonable measures, whether by suit, proceeding or other action, to cause to cease any infringement of any right under the Collateral by any Person and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing necessary to prevent such infringement.

9. Default and Remedies.

(a) Default. Company shall be deemed in default under this Security Agreement upon the occurrence and during the continuance of an Event of Default (as defined in the Notes).

(b) Remedies. Upon the occurrence and during the continuance of any such Event of Default, Collateral Agent shall have the rights of a secured creditor under the UCC, all rights granted by this Security Agreement and by law, including the right to: (a) require Company to assemble the Collateral and make it available to Collateral Agent and the Investors at a place to be designated by Collateral Agent and the Investors; and (b) prior to the disposition of the Collateral, store, process, repair or recondition it or otherwise prepare it for disposition in any manner and to the extent Collateral Agent and the Investors deems appropriate and in connection with such preparation and disposition, without charge, use any trademark, trade name, copyright, patent or technical process used by Company. Company hereby agrees that ten (10) days' notice of any intended sale or disposition of any Collateral is reasonable. In furtherance of Collateral Agent's rights hereunder, Company hereby grants to Collateral Agent an irrevocable, non-exclusive license (exercisable without royalty or other payment by Investor, but only in connection with the exercise of remedies hereunder) to use, license or sublicense any patent, trademark, trade name, copyright or other intellectual property in which Company now or hereafter has any right, title or interest together with the right of access to all media in which any of the foregoing may be recorded or stored.

(c) Application of Collateral Proceeds. The proceeds and/or avails of the Collateral, or any part thereof, and the proceeds and the avails of any remedy hereunder (as well as any other amounts of any kind held by Collateral Agent at the time of, or received by Collateral Agent after, the occurrence of an Event of Default) shall be paid to and applied as follows:

(i) First, to the payment of reasonable costs and expenses, including all amounts expended to preserve the value of the Collateral, of foreclosure or suit, if any, and of such sale and the exercise of any other rights or remedies, and of all proper fees, expenses, liability and advances, including reasonable legal expenses and attorneys' fees, incurred or made hereunder by Collateral Agent;

(ii) Second, to the payment to each Investor of the amount then owing or unpaid on such Investor's Note, and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid upon such Note, then its Pro Rata Share of the amount remaining to be distributed (to be applied first to accrued interest and second to outstanding principal);

(iii) Third, to the payment of other amounts then payable to each Investor under any of the Transaction Documents, and in case such proceeds shall be insufficient to pay in full the whole amount so due, owing or unpaid under such Transaction Documents, then its Pro Rata Share of the amount remaining to be distributed; and

(iv) Fourth, to the payment of the surplus, if any, to Company, its successors and assigns, or to whomsoever may be lawfully entitled to receive the same.

For purposes of this Security Agreement, the term "**Pro Rata Share**" shall mean, when calculating a Investor's portion of any distribution or amount, that distribution or amount (expressed as a percentage) equal to a fraction (i) the numerator of which is the original outstanding principal amount of such Investor's Note and (ii) the denominator of which is the original aggregate outstanding principal amount of all Notes issued under the Purchase Agreement. In the event that a Investor receives payments or distributions in excess of its Pro Rata Share, then such Investor shall hold in trust all such excess payments or distributions for the benefit of the other Investors and shall pay such amounts held in trust to such other Investors upon demand by such Investors.

10. Collateral Agent.

(a) Appointment. The Investors hereby appoint Skypoint Venture Partnership No. 1, L.P., General Partner of Skypoint Telecom Fund I L.P., as collateral agent for the Investors under this Security Agreement (in such capacity, the "**Collateral Agent**") to serve from the date hereof until the termination of the Security Agreement. The Company shall take all reasonable steps required to complete all filings necessary to perfect the security interest of the Collateral Agent in the Collateral.

(b) Powers and Duties of Collateral Agent, Indemnity by Investors.

(i) Each Investor hereby irrevocably authorizes the Collateral Agent to take such action and to exercise such powers hereunder as provided herein or as requested in writing by the Investors of a Majority in Interest in accordance with the terms hereof, together with such powers as are reasonably incidental thereto. Collateral Agent may execute any of its duties hereunder by or through agents or employees and shall be entitled to request and act in reliance upon

the advise of counsel concerning all matters pertaining to its duties hereunder and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance therewith.

(ii) Neither the Collateral Agent nor any of its directors, officers or employees shall be liable or responsible to any Investor or to Company for any action taken or omitted to be taken by Collateral Agent or any other such person hereunder or under any related agreement, instrument or document, except in the case of gross negligence or willful misconduct on the part of the Collateral Agent, nor shall the Collateral Agent or any of its directors, officers or employees be liable or responsible for (i) the validity, effectiveness, sufficiency, enforceability or enforcement of the Notes, this Security Agreement or any instrument or document delivered hereunder or relating hereto; (ii) the title of Company to any of the Collateral or the freedom of any of the Collateral from any prior or other liens or security interests; (iii) the determination, verification or enforcement of Company's compliance with any of the terms and conditions of this Security Agreement; (iv) the failure by Company to deliver any instrument or document required to be delivered pursuant to the terms hereof; or (v) the receipt, disbursement, waiver, extension or other handling of payments or proceeds made or received with respect to the collateral, the servicing of the Collateral or the enforcement or the collection of any amounts owing with respect to the Collateral.

(iii) In the case of this Security Agreement and the transactions contemplated hereby and any related document relating to any of the Collateral, each of the Investors agrees to pay to the Collateral Agent, on demand, its Pro Rata Share of all fees and all expenses incurred in connection with the operation and enforcement of this Security Agreement, the Notes or any related agreement to the extent that such fees or expenses have not been paid by Company. In the case of this Security Agreement and each instrument and document relating to any of the Collateral, each of the Investors and the Company hereby agrees to hold the Collateral Agent harmless, and to indemnify the Collateral Agent from and against any and all loss, damage, expense or liability which may be incurred by the Collateral Agent under this Security Agreement and the transactions contemplated hereby and any related agreement or other instrument or document, as the case may be, unless such liability shall be caused by the willful misconduct or gross negligence of the Collateral Agent.

All such notices and communications shall be effective (a) when sent by Federal Express or other overnight service of recognized standing, on the business day following the deposit with such service; (b) when mailed, by registered or certified mail, first class postage prepaid and addressed as aforesaid through the United States Postal Service, upon receipt; (c) when delivered by hand, upon delivery; and (d) when faxed, upon confirmation of receipt.
