**ASSIGNMENT OF INVENTION**

We, Digital Accelerator Corporation, having a principal place of business at 1255 West Pender Street, Vancouver, British Columbia, V6E 2V1, CANADA (hereinafter "ASSIGNOR"), in consideration of One Dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby confirm that we did sell and assign to DAC International Inc., having a principal place of business at Palm Court, 28 Pine Road, Belleville, St. Michael, BARBADOS (hereinafter "ASSIGNEE"), its successors, legal representatives and assigns, our entire right, title and interest, throughout the world, except in those countries listed in Schedule B (hereinafter "Reserved Territories"), in, to and under the inventions described and claimed in the patent applications listed in Schedule A; all improvements, additions and modifications to said inventions and to all corresponding rights, title and interest in and to any patent which may be granted thereon; said applications and all divisional, renewal, substitute, continuation, and continuation-in-part applications thereof, and all patents which may be granted thereon and all reissues and extensions thereof; all corresponding foreign patent applications and patents, except those filed and/or issued in the Reserved Territories, relating to said inventions and improvements, additions and modifications thereto, and to any divisional, substitute, continuation, continuation-in-part applications, reissues and renewals of the aforementioned patents; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said inventions in any country, except in the Reserved Territories, together with the right to file such applications and the right to claim for the same priority rights derived from said applications under the patent laws of any country, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country except the Reserved Territories, and all extensions, renewals and reissues thereof.

For said consideration, ASSIGNOR HEREBY confirms that it agrees, upon the request and at the expense of the ASSIGNEE, its successors and assigns, to execute any and all divisional, substitute, continuation, continuation-in-part applications, reissue and substitute applications to said inventions and improvements, additions and modifications to said inventions, and acknowledge and agree that all rights therein shall vest in the ASSIGNEE, its successors, and assigns, whereby said Letters Patent will be held and enjoyed by said ASSIGNEE, its successors and assigns, to the full extent of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made;

AND ASSIGNOR HEREBY confirms that it agrees, at the request and expense of the ASSIGNEE, to execute any and all documents required by the ASSIGNEE to fully and properly vest the aforementioned rights in the ASSIGNEE;

AND ASSIGNOR HEREBY confirms that it authorizes and requests the Commissioner of Patents and any Official of any country, whose duty it is to issue patents or other evidence of forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this document;

AND ASSIGNOR HEREBY confirms that it covenants and agrees that it has full right to convey all of its interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith;

AND ASSIGNOR HEREBY confirms that it grants to the firm MBM & CO. whose full post office address is P.O. Box 809, Station B, Ottawa, Ontario, K1P 5P9, Canada, the power to insert on this hereon any further

information which may be necessary or desirable in order to comply with the patent legislation for recordation of this document.
