WHEREAS, KIMBER IP, LLC, a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 1 Lawton Street, Yonkers, New York 10705 is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by us during the course of our association with KIMBER IP, LLC aforesaid and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said application for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, We, NEHEMIA SIRKIS and AMIR ZONSHINE, by these presents do sell, assign and transfer unto the said KIMBER IP, LLC our entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto, in and to said invention and any improvements thereon which may be

TO BE HELD AND ENJOYED by the said KIMBER IP, LLC and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted or may be granted, as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent which may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by us during the course of our association with the said company and for one year thereafter, to KIMBER IP, LLC, and we hereby agree for ourselves, our heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by KIMBER IP, LLC, fully to secure to KIMBER IP, LLC its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.
