**ASSIGNMENT**

In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assigns to Schroeder & Tremayne, Inc. having a principal place of business at 8500 Valcour Avenue, St. Louis, Missouri 63123, its successors and assigns (hereinafter "Assignee"), the entire right, title and interest in the invention or improvements of the undersigned disclosed in the following design patent application:

**Application Serial No.: To Be Assigned**  
**Titled: Bullet Mirror Clock**  
**Filed: To Be Filed Herewith**

and any and all other applications for Letters Patent which the Assignee or the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, including any identified above, and in any reissue or extension thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to Assignee, and the attorneys of record in said application to insert in this Assignment the serial number, filing date, and date of execution of said application.

For said considerations, the undersigned hereby agrees, upon the request and at the expense of Assignee, to execute any divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment has not been made.

And for said consideration, the undersigned hereby assigns to Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights and agree to execute, at the request of Assignee, all documents in connection with any application for foreign Letters Patent therefor, and further assigns all rights and remedies for past infringement of said invention or improvements, including the right to sue and collect damages and profits for such infringements.
