LETTER

Sir:

In response to the Notice of Non-Recordation received in connection with the above-identified application, a copy of which is enclosed, applicant resubmits the original assignment document, along with a completed cover sheet, and requests recordation of the assignment document.

The assignment document was originally submitted via facsimile on April 6, 2005, but returned as non-recordable as payment was not made via deposit account. As evidenced on the transmittal sheet, a fee of \$80.00 was included by credit card as payment for recording the

assignment. It is submitted that no additional fee is required. The Notice of Non-Recordation indicates that recordation via facsimile requires payment via deposit account. Therefore, the assignment document is being resubmitted herewith via U.S. mail along with the original credit card payment.

The Commissioner is hereby authorized to charge payment of any patent application processing fees under 37 C.F.R. Sections 1.16 or 1.17 which are associated with this communication or credit any overpayment to Deposit Account No. 19-3140.

Respectfully submitted,

SONNENSCHN NATH & ROSENTHAL LLP
