ASSIGNMENT

AUG 29 2004

Serial No. 60/405,152
Filed August 22th 2002

THIS ASSIGNMENT is made by and between Scott D. Wampler, of 9349 Dockside Way, Westchester, Ohio 45069 (the "Assignors"), and NOVUS COMMUNICATION TECHNOLOGIES, INC., a corporation organized and existing under the laws of the State of Ohio (the "Assignee").

WHEREAS, the Assignors have made certain new and useful inventions or discoveries relating to

PSEUDO BIT-DEPTH SYSTEM FOR DYNAMIC BILLBOARDS

, for which such Assignors have executed an application for Letters Patent of the United States on the 22th day of August 2002, (the "Invention"); and

WHEREAS, the Assignee desires to acquire all of the Assignors' right, title, and interest in and to the Invention and other certain other collateral properties, and the Assignors desire to assign to the Assignee all of their right, title, and interest in and to the Invention and other certain collateral properties.

NOW, THEREFORE, in consideration of the sum of One Dollar, in hand paid by the Assignee to the Assignors, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors hereby sell, assign, and transfer unto the Assignee all of their right, title, and interest in and to the following:

- the Invention, the identification of which by serial number and filing date, when available, is hereby authorized,
- the aforementioned application for Letters Patent of the United States, and all substitutions, divisions, and continuations thereof,
- all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, together with all extensions, renewals, and reissues thereof,

the same to be held and enjoyed by the Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignors if this Assignment and sale had not been made;

And, further for the consideration stated above, the Assignors hereby authorize and request the Commissioner of Patents of the United States to issue said Letters Patent in accordance with this Assignment;

And, further for the consideration stated above, the Assignors represent and warrant to the Assignee and its successors and assigns that the Assignors have a full and unencumbered title to the Invention and the other collateral property described and assigned above;

And, further for the consideration stated above, the Assignors covenant and agree that they will, whenever reasonably requested by the Assignee (but without cost to the Assignors), promptly communicate to the Assignee or its representatives any facts known to them relating to the Invention or other collateral property, testify in any interference or legal proceedings involving the same, and execute any additional papers that may be reasonably necessary to enable the Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the Invention or other collateral property, or that may be reasonably necessary to vest in the Assignee the complete title to the Invention and other collateral property hereby conveyed and to enable it to record said title.
