ASSIGNMENT

Whereas I, the undersigned Inventor, presently residing at the address set forth below, have invented a certain improvement in a BAYONET POIL SOCKET, a design patent application for which was filed in the U.S. Patent and Trademark Office on August 13, 2004, and subsequently assigned application Serial No. 29/211,240.

Whereas, LEON PAUL EQUIPMENT CO. LTD, of Units 1 & 2 Cedar Way, Camley Street, London NW1 0JQ, United Kingdom (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention or improvement;

Now, Wherefore, in consideration of \$1, receipt of which is hereby acknowledged, and other good and valuable consideration, I, by these presents, do sell, assign and transfer unto said Assignee, its successors, assigns and other legal representatives in and for the United States and its territories and for all foreign countries, the full and exclusive right in and to said invention as described in said above design application, together with any Letters Patent that may be granted on any subsequently filed patent application, and any divisions, reissues, continuations or extensions thereof that claim priority to said design patent application; and authorize and request the Commissioner of Patents to issue any Letters Patent resulting therefrom to said Assignee; and covenant that I have full right to do so; and agree that I shall communicate to said Assignee or its representatives any facts known to me respecting said improvement and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation and reissue applications in connection therewith, make all rightful oaths and declarations, and generally do everything possible to aid said Assignee, its successors, assigns or nominees to obtain and enforce proper protection for said improvement;

Furthermore, I hereby authorize my attorneys, identified in the declaration constituting a part of said application, to insert in this Assignment the serial number and/or filing date of the above-identified application when known..
