ASSIGNMENT

WHEREAS, I, Don J. Coulson, an individual and citizen of the United States of America, have invented certain new and useful improvements in a BONDED PANEL HAVING INTERLOCKING SIDES, for which a design patent application has been executed on April 20, 2005; and

WHEREAS, METALS USA BUILDING PRODUCTS ., lawfully organized and existing under the laws of the State of Texas and having a place of business at 2900 Patio Drive, Houston, Texas 77017, is the owner of the entire right, title and interest in, to and under the said improvements and said application, and wishes to make of record this ownership.

NOW, THEREFORE, in consideration of the sum of One Dollar (US \$1.00) to us in hand paid, and other good and valuable consideration the receipt of which is hereby acknowledged, I, DON J. COULSON, have sold, assigned, transferred and set over, unto said METALS USA BUILDING PRODUCTS., its successors, legal representatives, and assigns the entire right, title and interest in, to and under said improvements and said application and all further divisions, renewals and continuations thereof, and all priority rights under the international Convention for the Protection of Industrial Property for every country of the Union, and all applications for Letters Patents which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patents which may be granted for said improvements in any country or countries foreign to the United States, and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patents for said improvements, and all reissues and extensions thereof, and all applications for Letters Patents which may hereafter be filed for said

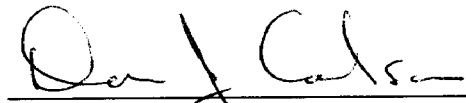

improvements, and all Letters Patents which may be granted for said improvements, and all renewals and reissues thereof to said, METALS USA BUILDING PRODUCTS, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict therewith.

AND I HEREBY further covenant and agree that I will communicate to said METALS USA BUILDING PRODUCTS, its successors, legal representatives and assigns, any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said METALS USA BUILDING PRODUCTS, its successors, legal representative and assigns, to obtain and enforce proper patent protection for said improvements.

IN TESTIMONY WHEREOF, I have hereunto set my hand this th 20 day of

April, 2005.

Don J Coulson
