ASSIGNMENT

WHEREAS, WE, Daniel K. Childs of Chicago, Illinois, and Gregory J. Holderfield, of Oak Park, Illinois, have invented a certain new and original design for:

NOZZLE FOR A PORTABLE SPRAYER

for which we are about to make application for Design Letters Patent of the United States; and

WHEREAS, Clarke Engineering Technologies, Inc., a corporation organized and existing under and by virtue of the laws of the State of Illinois, and having its principal place of business at 159 North Garden Avenue, Roselle, Illinois 60172, is desirous of acquiring the entire right, title and interest in and to said invention, and in and to the Design Letters Patent to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said assignee the entire right, title and interest in and to the said invention as fully set forth and described in the specification identified under attorney's Docket No. 1006-0078, preparatory to obtaining Design Letters Patent of the United States therefor, together with all future improvements thereon and additions thereto, and United States patent applications which may be made therefor and any and all divisional, continuing and reissue applications therefor, and the patents which may be thereupon issued, and any and all rights to file applications and receive patents in countries foreign to the United States, including priority rights, the same to be held and enjoyed by the said assignee to the full end of the term for which said Design Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale

not been made; and we hereby agree to sign all necessary papers in connection with the prosecution and assignment of each and every of said applications.

AND we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Design Letters Patent to the said assignee of our entire right, title and interest in and to the same for the sole use and behalf of the said assignee, its successors and assigns.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals this

13th day of June, 2005.
