WHEREAS, the above-identified inventors (hereinafter, "Inventors") have invented certain new and useful inventions or improvements (hereinafter, "Invention") which are the subject of a U.S. patent application filed herewith and entitled:

GAME MACHINE AND GAME PROGRAM

WHEREAS, the above-identified Assignee (hereinafter, "Assignee") wishes to acquire all right, title, and interest in and to the Invention, in and to the application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof:

NOW, THEREFORE, for good and valuable consideration acknowledged by the Inventors to have been received in full from said Assignee:

1. Each of the Inventors hereby sells, assigns, transfers, and conveys unto Assignee, the entire right, title, and interest (a) in and to the Invention; (b) in and to all rights to apply for foreign patents on the Invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all applications filed and any and all patents granted on the Invention in the United States, its territories, or any foreign country, including each and every application filed and each and every patent granted on any such applications; (d) in and to each and every reissue, reexamination or extensions of any of the patents; and (e) in and to all rights to sue for and recover damages for infringement of any and all of the foregoing rights including, but not limited to, past infringement.

2. Each of the Inventors hereby covenants and agrees to execute petitions, oaths, specifications, declarations or other papers, and render other assistance all to the extent deemed necessary or desirable by Assignee (a) for perfecting in Assignee the right, title, and interest herein conveyed; (b) for prosecuting any of the applications; (c) for filing and prosecuting substitute, divisional, continuing, or additional applications covering the Invention; (d) for filing and prosecuting applications for reissuance or reexamination of any of the patents; (e) for interference or other priority proceedings involving the Invention; and (f) for legal proceedings involving the Invention and any applications therefor and any patents granted thereon.

substitute, divisional, continuing, or additional applications covering the Invention; (d) for filing and prosecuting applications for reissuance or reexamination of any of the patents; (e) for interference or other priority proceedings involving the Invention; and (f) for legal proceedings involving the Invention and any applications therefor and any patents granted thereon.

3. Each of the Inventors hereby covenant that he or she has the full right to convey his or her entire interest in the Invention, and that he or she has not executed and will not execute any agreement in conflict herewith.

4. Each of the Inventors hereby authorizes and requests the Commissioner for Patents of the United States to issue to the Assignee the entire right, title, and interest, in and to any and all Letters Patent for the Invention, including, but not limited to, any and all Letters Patent of the United States which may be issued and granted on or as a result of the aforesaid application, in accordance with the terms of this Assignment.

IN WITNESS WHEREOF, I have hereunto set my hand and seal.
