**ASSIGNMENT**

WHEREAS, I, Michael W. Schultz of 14104 - 190 1/2 Cr. NW, Elk River,  
County of Sherburne, and State of Minnesota  
have invented certain new and useful improvements in

**NEGATIVE PRESSURE CONDITIONING DEVICE AND FORCED AIR FURNACE EMPLOYING SAME**  
for which I have executed an application for Letters Patent of the United States, for which the assignor authorizes and  
requests an attorney of record for this application to insert here in parenthesis the filing date and application number of said  
application when known (Application No. \_\_\_\_\_, filed \_\_\_\_\_); and

Whereas, Honeywell International Inc., a corporation organized and existing under the laws of the State of  
Delaware, and having its principal offices at 101 Columbia Road, Morristown, N.J. 07962, U.S.A. is desirous of acquiring  
the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to  
be obtained therefor;

Now, therefore, for good and valuable consideration to me paid by the said Honeywell Inc., the receipt of which is  
hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto  
the said Honeywell Inc., its successors and assigns, my entire right, title and interest in and to said invention, said  
application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of my rights under any  
and all international conventions, treaties and/or agreements concerning patents to which the United States is a party, and I  
do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned assignee in  
accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for  
Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said  
United States application and/or otherwise take advantage of the provisions of any international convention, treaty and/or  
agreement.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing  
or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon  
request, without further or additional consideration, but at the expense of the said assignee, its successors and assigns,  
execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem  
necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making  
application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or any of and all  
foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by  
giving testimony in any proceedings or transactions involving such applications or patents.
