Assignment

Whereas, I/We, Ronald S. PATRICK of
CA, U.S.A.

hereinafter called Assignor(s), have invented certain improvements in
SENSOR CONTROL DEVICE

and executed an application for Letters Patent of the United States of America therefor on
March 22, 2005; and

Whereas, ECM, having its principal place of business at 568 Weddell Drive, Suite 2, Sunnyvale, CA 94089 USA, hereinafter called "Assignee" desires to acquire the entire undivided right, title, and interest of the Assignor(s) in the application and invention, and to any United States patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

I/We, the above named Assignor(s), hereby sell, assign and transfer to the above named Assignee, its successors and assigns, my/our entire undivided right, title and interest in the application and the invention disclosed therein for the United States of America and all countries foreign thereto, including rights of priority under the International Convention of Paris (1883) as amended, and I/we request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the Assignee, its successors and assigns; and I/we hereby agree that the Assignee, its successors and assigns may apply for foreign Letters Patent on the invention and I/we will execute without further consideration all papers deemed necessary by the Assignee, its successors and assigns in connection with the United States and foreign applications when called upon to do so by the Assignee, its successors and assigns.

I/We hereby authorize and request SUGHRUE MION, PLLC of 2100 Pennsylvania Avenue, NW, Washington, DC 20037-3213 to insert here in parentheses (Application No. 11/113,292 and Confirmation No. 8074, filed April 25, 2005) the application number and filing date of said application when known.
