## ASSIGNMENT

WHEREAS, we, Arthur J. Roth, a citizen of the United States of America, residing at 14 Ramona Drive, Orinda, California 94563, and Anthony F. Drake, a citizen of the United States of America, residing at 1001 Flintrock Drive, Antioch, California 94509, are coinventors of an invention in a "Shipping Pallet Equipped With a Non-Structural Member," which is the subject of an application for Letters Patent of the United States that was filed on August 30, 2005, and assigned Application No. 11/214,350; and whereas Hunter Paine Enterprises, LLC, a Delaware limited liability company having an address of 701 Willow Pass Road, Pittsburg, California 94565, desires to acquire our entire right, title, and interest in, to, and under said invention;

NOW, THEREFORE, in exchange for good and valuable consideration, which we acknowledge receiving, we hereby acknowledge that we have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over, unto said Hunter Paine Enterprises, LLC, its successors, legal representatives, and assigns, the entire right, title, and interest in, to, and under said invention and said application, including all divisions, renewals, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues and extensions thereof, and all applications for Letters Patent or Certificate of Invention which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent and Certificates of Invention that may be granted for said invention in any country or countries foreign to the United States, and all extensions, renewals, and reissues thereof, and all rights of priority in any such country or countries based upon the filing of the said application for Letters Patent of the United States which are created by any law, treaty, or international convention; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent or Certificates of Invention on applications as aforesaid, to issue all Letters Patent and Certificates of Invention for said invention to the said Hunter Paine Enterprises, LLC, its successors, legal representatives, and assigns, in accordance with the terms of this instrument.

AND WE HEREBY consent that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file, or like document which may be required in any country or region for any purpose, and more particularly in proof of the right of our assignee or its nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to said Hunter Paine Enterprises, LLC, its successors, legal representatives, and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths,

and generally do everything possible to aid said Hunter Paine Enterprises, LLC, its successors, legal representatives, and assigns, to obtain and enforce proper Letters Patent or Certificate of Invention protection for said invention in all countries.

IN TESTIMONY WHEREOF, we hereunto set our hand and seal.
