PATENT ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we, Thomas J. Langenfeld, 408 W. Blackwood Street, Sullivan, Illinois 61951, and Matthew C. Roney, 316 S. Worth Street, Sullivan, Illinois 61951, hereby sells and assigns to Hydro-Gear Limited Partnership ("Assignee"), a limited partnership organized and existing under the laws of the State of Illinois, having its principal place of business at 1411 South Hamilton Street, Sullivan, Illinois 61951, U.S.A., its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention entitled "COMBINATION CHECK VALVE AND PRESSURE RISE RATE VALVE" invented by us, and the application for United States patent therefor, which has not yet been assigned a Serial Number, the declaration for which is being concurrently executed, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents and Utility Model Registrations which may be granted thereon in such foreign countries. We hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent or Utility Model Registration to the Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned.

We covenant that we have not executed and will not execute any agreement in conflict herewith and agree that we will communicate to the Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when the Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign all lawful papers requisite for the filing of such disclaimer.

We further covenant and agree that we will, at any time upon request, do everything legally possible to aid the Assignee, its successors, assignees, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent and/or Utility Model protection for said invention in all countries, all without further consideration but at the expense of the Assignee, its successors, assigns, nominees, or other legal representatives.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 30 day of JUNE, 2005.
