WORLDWIDE ASSIGNMENT OF PATENTS, PATENT APPLICATIONS,

INVENTIONS AND INDUSTRIAL DESIGNS

WHEREAS, I, **Brian Roberts**, whose full post office address is 550 Hopewell Avenue, Toronto, Ontario, M6E 2S6, (hereinafter referred to as "Roberts"), am the owner of the industrial design registration listed in Schedule "A" attached hereto and am the listed inventor for the utility patent applications and design patent applications (hereinafter referred to as "said Applications") listed in Schedule "A" attached hereto;

AND WHEREAS, **Bio-Support Industries Ltd.** a corporation organized and existing under the laws of Ontario, Canada, with its principal place of business located at 125 Tycos Drive, Toronto, Ontario, Canada M6B 1W6 (hereinafter referred to as "Bio-Support") is desirous of acquiring the whole right, title and interest in and to the said industrial design registration and said Applications identified in Schedule "A", and the invention or inventions, and design or designs, described therein, for all countries throughout the world, including the right to obtain and hold patents therefor, and in and to any patents or registrations that may be granted therefor;

NOW, THEREFORE, in consideration of \$1.00 (One Canadian dollar) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the undersigned, I hereby sell, assign and transfer to said Bio-Support, all my right, title and interest, in the United States of America, Canada, and all other countries and jurisdictions throughout the world, in said industrial design registration and said Applications, and the invention or inventions, and design or designs, described, disclosed and claimed therein, and all applications, including any divisional or continuation applications, whether presently pending or filed in the

future, and registrations therefor, including my corresponding right to claim priority in any country or jurisdiction, including all corresponding right, title and interest in and to any patents and registrations which may issue therefrom, including all reissues, renewals and extensions thereof, and including all right to sue for past infringement thereunder, all the said patents and registrations to be held and enjoyed by the said Bio-Support to the full end of the term for which the said patents and registrations are granted, as fully and entirely as the said patents and registrations could have been held and enjoyed by me if this assignment had not been made;

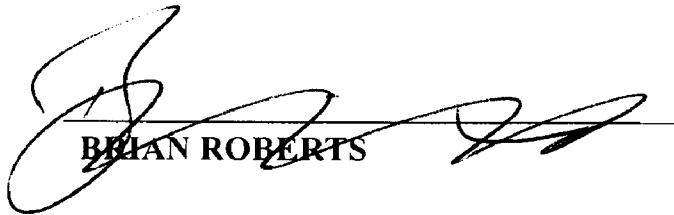

And I hereby covenant and agree to execute and deliver any and all papers that may be necessary or desirable to perfect the title to these inventions, designs, applications, registrations and patents in said Bio-Support, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything as is deemed reasonably necessary to aid Bio-Support, its successors and assigns, to obtain and enforce proper protection for these inventions, designs, applications, registrations and patents in Canada, the United States and all other countries and jurisdictions throughout the world, it being understood that any incidental expense associated with these activities shall be borne by the Bio-Support, its successors and assigns.

The Patent Offices in all countries and jurisdictions are hereby authorized and requested that all interest to any and all Letters Patent or other registrations for said inventions and designs be issued to said Bio-Support, its successors, assigns and legal representatives, or to such nominees as it may designate in accordance with this agreement;

And I hereby covenant that I have the full right to convey the interest assigned by this assignment, and have not executed and will not execute any agreement in conflict with this assignment.

And I hereby authorize Bio-Support's counsel to correct clerical errors in this assignment, or to insert any further identification or other information necessary or desirable to make this assignment suitable for recordal in any Patent Office.

Signed at Toronto, Ontario this 29th day of April, 2005.
