ASSIGNMENT

WHEREAS, *MetroTrack, Inc.* whose address is *1100 Lee Wagner Boulevard, Suite 311*, in the city of *Fort Lauderdale*, and *The State of Florida* (hereinafter referred to as "the Assignor") is the sole and complete owner of new and useful inventions which are collectively entitled and/or form:

**"Methods for Employing Location Information Associated with Emergency 911
Wireless Transmissions for Supplementary and Complementary Purposes"**

And which are set forth in an Application for Letters Patent which was filed within the United States Patent and Trademark Office on August 10, 2001 and which was issued on June 29, 2004 and given the patent number US 6,756,917 B2 (hereinafter referred to as "The Patent");

AND WHEREAS, Tarsus Trust Company, Limited, as trustee for Tarsus Casualty and Life Company, a secured creditor of the Assignor, whose address is, P.O. Box 11, Mainstreet, Charlestown, Nevis, W.I. (hereinafter referred to as "the Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, in and to said Application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore and thereon; including but not limited to The Patent.

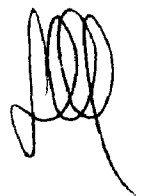

NOW THEREFORE, be it known by all whom it may concern, that for good and valuable consideration, which has been given to the Assignor, the receipt and sufficiency of which is hereby acknowledged by the Assignor, the Assignor has assigned, sold and set over, and by these presents does hereby assign, sell and set over unto the Assignee, its successors, legal representatives and assigns, for the

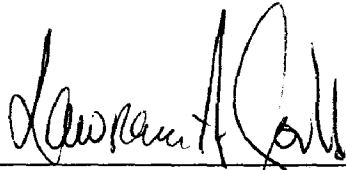

territory of the United States of America and all foreign countries, the entire right, title and interest in and to said inventions, said Application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefore and thereon, and to any and all divisions, continuations, and continuations-in-part of said Application for Letters Patent, or re-issues or extensions of said Letters Patent or Patents, and to The Patent, the same to be held and enjoyed by the Assignee as fully and entirely as the same would have been held by the Assignor had this Assignment and Sale not been made;

AND the Assignor hereby covenants and agrees that the Assignor shall at any time, upon the request of The Assignee, execute and deliver any and all papers and do any and all lawful acts which, in the sole and complete opinion of The Assignee, are necessary or desirable to allow The Assignee to perfect its title to the inventions, to said Application for Letters Patent of the United States and to any and all Letters Patents which may issue from said Application for Letters Patents, including but not limited to The Patent, and the Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all such Letters Patents to the Assignee in accordance with this Agreement;

AND The Assignors hereby grants the Assignee the right to sue for and collect all damages, past, present, and future, which are in any way related to and/or based upon The Patent.
