**ASSIGNMENT (P1530 - 5964833)**

This property (5964833) may have been assigned at an earlier date to the same corporate entity, and if so the earlier assignment will function as the transfer document. If there is no evidence of an earlier assignment this document serves to transfer the property referred to below. This document is not intended as a reassignment of the property if discovered that the property was assigned at an earlier date.

For good and valuable consideration, receipt of which is hereby acknowledged, I, Dan Kikinis, do hereby sell, assign and transfer unto Lextron Systems, Inc., (a California Corporation having its principal place of business 20264 Ljepava Drive, Saratoga, CA 95070, hereinafter called the "Assignee"), its successors and assigns, the entire world-wide title, interest and right, including the right of priority controlled by me, in, to and under Letters Patent of the United States, the Patents which bear patent number 5964833 filed 02/07/1997, and the invention and any of them therein set forth and described, and any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefore based on the original application for said U.S. Letters Patent; **and**

For the above consideration I agree promptly upon request of the Assignee, its successors or assigns, to execute and deliver without further compensation any power of attorney, assignment, application, whether original, continuation, divisional or reissue, or other papers which may be necessary or desirable fully to secure to the Assignee, its successors and assigns, the inventions and any of them, described in said application and all patent rights therein, in the United States and in any country foreign thereto, and to cooperate and assist in the prosecution of appeal and interference proceedings involving said inventions and in the adjudication or re-examination of said Letters Patent provided the expenses which may be incurred by me in lending such cooperation and assistance be paid by the Assignee.

Dan Kikinis
