ASSIGNMENT

This Assignment document corrects an error in a previous assignment document. The previous assignment document, which was recorded on June 19, 2002 in the Assignment Division of the Patent and Trademark Office at Reel 013021, Frame 0126, erroneously listed the name of the assignee as "Zebra Investment Holding Corporation." The correct name of the assignee should have been listed as "ZIH Corp." This Assignment document correctly lists the name of the assignee.

WHEREAS, David L. Poole, a citizen of the United States of America, residing at 459 East Thornhill Lane, Palatine, Illinois 60074, hereinafter referred to as ASSIGNOR, has invented and owns a certain invention entitled:

THERMAL RIBBON CARTRIDGE OR ROLL WITH SLACK RIBBON RETRACTION

for which a patent application of the United States has been filed on May 8, 2002 and having a Serial No. of 10/141,322; and

WHEREAS, ZIH Corp, a corporation of the State of Delaware, having a place of business at 1201 Market Street, Wilmington, Delaware 19801, hereinafter referred to as ASSIGNEE, is desirous of acquiring the entire interest in, to and under said invention and the United States Letters Patent to be obtained therefor:

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

Be it known that in consideration of the payment by ASSIGNEE to ASSIGNOR of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, ASSIGNOR hereby sells, assigns and transfers to ASSIGNEE the full and exclusive right, title and interest to said invention and all Letters Patent of the United States to be obtained therefor on said patent or any patent applications, continuations, divisions, renewals, substitutes or reissues thereof for the full term or terms for which the same may be granted.

ASSIGNOR also assigns all of his right, title and interest in and to said invention in all foreign countries, and all applications for Letters Patent which may evolve therefrom, including the right to claim International Convention priority.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent as may be known and accessible to ASSIGNOR and ASSIGNOR will testify

as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said applications, said invention and said Letters Patent which may be necessary or desirable to carry out the purposes hereof.
