ASSIGNMENT

WHEREAS, *W. R. Weaver, Inc.*, whose address is 4380 River Road, in the city of *Toledo*, and The State of *Ohio* (hereinafter referred to as "the Assignor") owns all right, title, and interest in and to new and useful inventions which are collectively entitled and/or form a:

"Process For The Manufacture Of Laminated Tooling"

And which are set forth in an Application for Letters Patent ("The Patent Application") which was filed within the United States Patent and Trademark Office on 10/06/1989 and which was issued on 07/16/1991 and which was given the patent number 5,031,483 (hereinafter referred to as "The Patent");

WHEREAS, the Assignor owns all right, title, and interest in and to The Patent and warrants that The Patent is valid and enforceable;

WHEREAS, J. Thomas Clark, whose address is 100 Bloomfield Hills Parkway, Suite 195, Bloomfield Hills, MI 48304 (hereinafter referred to as "the Assignee"), and who has a State of Michigan Driver's License which is identified by the number C462352792554 is desirous of acquiring the entire right, title and interest in and to said inventions, in and to The Patent, and in and to any other Letters Patent or Patents, United States or foreign, which are related to The Patent, and to The Patent Application;

NOW THEREFORE, be it known by all whom it may concern, that for the sum of Seventeen Thousand Five Hundred Dollars (\$17,500) and other good and valuable consideration, which has been given to the Assignor, the receipt and sufficiency of which is hereby acknowledged by the Assignor, the Assignor has assigned, sold and

set over, and by these presents does hereby assign, sell and set over unto the Assignee, his successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to The Patent, in and to said inventions, in and to The Patent Application, and in and to any and all Letters Patents which are related to The Patent Application or which are related to The Patent, in the United States of America and all foreign countries which may be granted, and to any and all divisions, continuations, and continuations-in-part of The Patent Application, or re-issues or extensions of The Patent, and to any patents which are owned by The Assignee and which are related to The Patent, the same to be held and enjoyed by the Assignee as fully and entirely as the same would have been held by the Assignor had this Assignment and Sale not been made;

AND the Assignor hereby covenants and agrees that the Assignor shall, at any time, upon the request of the Assignee, execute and deliver any and all papers and do any and all lawful acts which, in the sole and complete opinion of the Assignee, are necessary or desirable to allow the Assignee to perfect his title to The Patent, to the inventions, to The Patent Application, to any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted upon or which are based upon the Patent Application, and to any and all divisions, continuations, and continuations-in-part of The Patent Application, or any reissue of The Patent, and to any Patent which is related to The Patent, and the Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all such Letters Patents to the Assignee in accordance with this Agreement;

AND The Assignor hereby grants the Assignee the right to sue for and collect all damages, past, present, and future, which are in any way related to and/or based upon The Patent or which are in any way related to and/or based upon any patent which is related to The Patent and which is assigned to the Assignee by this Assignment.
