ASSIGNMENT

This document memorializes the November 30, 2001 Assignment from Schott Fiber Optics, Inc. (hereafter referred to as the assignor), a Maryland corporation, having a place of business at 122 Charlton Street, Southbridge, MA 01550, to Schott Communications Technologies, Inc. (hereafter referred to as the assignee), having a place of business at 15 Sandersdale Road, Southbridge, MA 01550. On November 30, 2001 the assignor owned the entire right, title and interest in U.S. Patent Application No. 09/707,046, filed November 6, 2000, now U.S. Patent No. 6,487,351, directed to a

FIBER OPTIC FACEPLATE

Assignee acquired the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the assignor, on November 30, 2001, intending to be legally bound, did sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the application for United States Letters Patent entitled as above, and all divisions and continuations thereof and in all letters patent, including all reissues and reexaminations thereof throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It was agreed that the assignor would be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of the assignment.

The assignor warranted that the rights and property which were conveyed were free and clear of any encumbrance.
