ASSIGNMENT OF APPLICATION FOR UNITED STATES PATENT

Whereas, we, David James MILLER, Harry R. SILVER, and Andrew L. FREISTHLER, have invented certain new and useful improvements in POINT OF LAW SEARCH SYSTEM AND METHOD for which an application for United States Letters Patent:

was executed on even date herewith
 was filed on _____ and was assigned Application No. _____

Whereas, LexisNexis, a division of Reed Elsevier Inc. (hereinafter the Assignee), a corporation of Massachusetts having a principal place of business at 9443 Springboro Pike, Miamisburg, Ohio 45342, is desirous of acquiring the entire right, title and interest to the said invention, and in and to the said application and any Letters Patent that may issue thereon;

Now, therefore, for and in consideration of one dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned, do hereby sell and assign to the said Assignee, the successors and assigns, the entire right, title and interest of the undersigned in and to the said invention and in and to the said application and all patents which may be granted therefor, and extensions thereof; and the undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as their interest is concerned to the said Assignee, as assignees of their entire right, title and interest.

The undersigned also hereby sell and assign to the said Assignee, the successors and assigns, the foreign rights of the undersigned to the invention disclosed in said application, in all patent-granting countries of the world, including the right to file applications and obtain patents for said invention in their own name in said countries, including all rights of priority under the terms of the International Convention for the Protection of Industrial Property, and the undersigned further agree to execute any and all patent applications, assignments, affidavits and any other papers in connection therewith necessary to perfect such patent rights.

The undersigned hereby further agree that we will communicate to said Assignee or to the successors, assigns and legal representatives, any facts known to us respecting any improvements, and at the expense of said assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid the said Assignee, the successors, assigns and nominees to obtain and endorse proper patent protection for said invention in all countries.
