CONFIRMATION OF ASSIGNMENT

The undersigned Advanced MicroSensors, Inc., having a place of business at 333 South Street, Shrewsbury, MA 01545-4112, was the assignee of all of the right, title and interest which Kenneth Martin, of 5 Old Fann Road, Palmer, MA 01069, and Charles Gibson, of 190 Cedar Street, Clinton MA 01510, had, as co-inventors thereof, in U.S. Patent Application Serial Number 10/097,294, entitled EMBEDDED LAPPING GUIDE (the "Application") and of the inventive devices and processes disclosed and claimed therein (the "Invention").

Prior to or on April 30, 2004, in consideration of the sum of One Dollar (U.S. \$1.00) in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we sold, assigned and transferred to Lafe Computer Magnetics Ltd., a corporation organized under the laws of Bermuda, having a place of business at 6/F The Grande Building, 398 Kwun Tong Road, Hong Kong (hereinafter called Assignee), and to Assignee's successors, assigns and legal representatives, our entire right, title, and interest in and to the Application and all patents which may be granted therefore, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof, and authorized and requested the Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom insofar as our interest is concerned, to the said Assignee.

We also sold and assigned to said Assignee, its successors, assigns. and legal representatives, our full right, title and interest to the Invention throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in

appropriate registries; and we further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors, assigns and legal representatives.

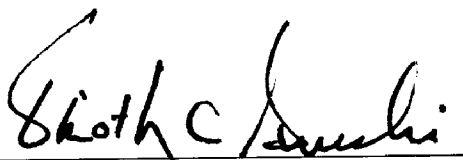

I hereby confirm the above and covenant that no assignment, sales agreement, or encumbrance has been or will be made or entered into which would conflict with that assignment and sale, a true copy of which is attached.

We hereby further agree that we will communicate to said Assignee, or to its successors, assigns and legal representatives, any facts known to us respecting any improvements; and, at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in said Assignee and to aid said Assignee, its successors, assigns and legal representatives to obtain and enforce proper protection for said invention in all countries.

This Confirmation and the Assignment which it confirms will be governed by the laws of the Commonwealth of Massachusetts.
