## Assignment Letter

In consideration of One Dollar and Other good and valuable consideration, of which I acknowledge receipt, I,

**Rommer Stefan**, a citizen of **Sweden**, residing at **Falkgatan 14B, S-416 67 Goteborg, Sweden**,

sell and assign to **Telefonaktiebolaget LM Ericsson (publ)**, a corporation organized under the laws of Sweden (the Company), having registered offices at SE-164 83 Stockholm, Sweden, its successors and assigns the entire right, title, and interest in and to the improvements in ***Method and Network for WLAN Session Control***, invented by me, as described in the application for United States patent which is a national stage application of PCT international application number PCT/SE03/01882 with an international filing date of 4/December/2003, and any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patents on said improvements or resulting therefrom to said Company, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Company, I will communicate to said Company or its representatives or nominees any facts known to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, and nominees to obtain and enforce proper patent protection for said improvements in all countries.
