ASSIGNMENT

Serial No: 29/234,401
Filed: July 18, 2005
Title: GRASS TRIMMER

For \$10.00 (Ten Dollars) and other good and sufficient consideration, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to Positec Power Tools (Suzhou) Co., Ltd., (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, executed by the undersigned on Aug 5th, 2005 and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the execution date and/or filing date and serial number of said application when officially known.

The undersigned warrants himself to be the owner of the interest herein assigned and to have the right to make this assignment and further warrants that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For this consideration the undersigned also agrees, upon the request and at the expense of the assignee, its successors, or assigns, to execute any and all divisional, continuation, continuation-in-part, and substitute applications for the invention or improvements, and any necessary oath or affidavit, and any application for the reissue or extension of any patent that may be granted upon the application, and any and all related documents that the assignee, its successors, or assigns may deem necessary or expedient. The undersigned further agrees that in the event of any application or patent assigned herein becoming involved in interference, he will, upon the request of the assignee, its successors, or assigns, cooperate to the best of the ability of the undersigned with the assignee, its successors, or assigns in preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned hereby agrees to perform, upon request, any and all affirmative acts to obtain patents in the U.S. and other countries, and vest all rights therein hereby conveyed in the assignee, its successors, and assigns so the patents will be held and enjoyed by the assignee, its successors, and assigns to the full end of the term for which the patents may be granted as fully and entirely as they would have been held and enjoyed by the undersigned if this assignment had not been made

WITNESS my hand this

5th day of August, 2005
