Docket No: ZE049US

We refer to your Notice of Non-Recordation of Document dated August 13, 2005.

In relation to the above application, we now resubmit copy of the original recordation document with the barcode, together with assignment form.

According to the recordation sheet, an execution date of March 8, 2005 has been indicated for each conveying party, in this case only Kia Silverbrook.

We believe that everything was in order for recording of assignment when the recordation and assignment were originally filed.

This is not the first notification of this kind that we have received. We are still unsure why we have received this notification. We would be most grateful if the USPTO could send us an explanation, so we can ensure the correct forms are submitted in the future.

Yours faithfully
