ASSIGNMENT

Pursuant to our obligation to Ingersoll-Rand Company (hereinafter referred to as "Assignee"), a New Jersey Corporation having its principal place of business at:

155 Chestnut Ridge Road
Montvale, NJ 07645

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,
we:

Thomas E. Vincent
7213 Brassy Creek Lane
Charlotte, NC 28269

Paul A. Lombardozzi
14808 Lonesome Oak Circle
Charlotte, NC 28278

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its
successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled "Compressor Lubricant System Including Acid
Filtration" for which we have executed a United States Patent Application on even date herewith
(Atty. File No. 065424-9135-01);

(2) in and to said United States patent application, in and to all other patent applications
(including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue
applications) based upon said invention, and in and to the patent or patents to be granted
thereon, including reissues thereof, if any, to the full end of the term or terms for which said
patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries
foreign to the United States of America, and in and to any and all patents granted on said
applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
