ASSIGNMENT

THIS ASSIGNMENT, made by **BLUETEK CO., LTD.**, a Korean company, having its principal place of business at 416, Maetan-dong, Paldal-gu, Suwon-city, Gyunggi-do, Korea, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, as shown by the records of the United States Patent and Trademark Office as recorded on August 11, 2003, at Reel 014389, Frame 0403, Assignor has previously acquired a right, title, and interest in and to certain new and useful improvements in MP3 PLAYER for which an application for United States Design Letters Patent was filed in the United States Patent and Trademark Office on August 11, 2003, under Design Application No. 29/188,003 and which has now issued on June 22, 2004 as U.S. Design Application No. D491,911S,

☒ *and which application claims priority from Application No. KR 30-2003-0013906, filed May 20, 2003, all applications listed above being hereinafter referred to as the "Applications";* and,

WHEREAS, **SAMSUNG ELECTRONICS CO., Ltd.**, a Korean company, having its principal place of business at 416, Maetan-3Dong, Yeongtong-Gu, Suwon-City, Gyeonggi-Do, Korea, hereinafter referred to as Assignee, is desirous of acquiring the right, title, and interest possessed by Assignor in and to said Applications and in and to the invention represented thereby; and

WHEREAS, the parties have agreed to the Assignment hereinafter set forth;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its right, title, and interest in and to said Applications and the invention represented thereby, and any and all continuations, continuations-in-part, or divisions thereof, and any and all Letters Patent or reissues, reexaminations, or extensions thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention; its rights corresponding to said Applications in foreign countries throughout the world; and all of its rights to sue for past infringement of said

Applications worldwide, together with all of its claims for damage by reason of past infringement of said Applications, with the right to sue for, and collect the same for Assignee's own use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

From time to time after the date hereof, at the request of either party hereto, and at the expense of the party so requesting, each of the parties hereto shall execute and deliver to such requesting party such documents and take such other action as such requesting party may reasonably request in order to consummate more effectively the transactions contemplated hereby.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses title to the inventions and Applications thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this
28th day of October, 2005.
