## ASSIGNMENT

WHEREAS, ANTHEM/CIC VENTURES FUND, L.P., a limited partnership of the State of Delaware, having a place of business at 225 Arizona Avenue, Suite 200, Santa Monica, California 90401, (hereinafter "assignor"), pursuant to a Security Agreement, dated January 7, 2005 (hereinafter "Security Agreement"), previously retained a security interest in the applications for Letters Patent and/or Letters Patent described in **Exhibit A**, attached hereto, and the inventions described therein, and the trademark applications and/or registrations described in **Exhibit B**, attached hereto, and any goodwill associated therewith; and

WHEREAS, TROIKA NETWORKS, INC., a corporation of the State of California, having its principal place of business at 2555 Townsgate Road, First Floor, Westlake Village, California 91361, (hereinafter referred to as the "assignee"), is desirous of terminating any security interest held by assignor and acquiring the entire right, title and interest in and to said inventions and said applications for Letters Patent and/or Letters Patent, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore and thereon, and terminating any security interest held by assignor and acquiring the entire rights, title and interest in and to said trademark applications and/or registrations, and any goodwill associated therewith:

NOW, THEREFORE, in consideration of the full satisfaction of the security interest by assignee pursuant to the Security Agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, assignor has released its security interest and does hereby sell, assign, and transfer any right, title and interest in and to the above-mentioned inventions, applications for Letters Patent and/or Letters Patent, and any and all applications for Letters Patent in the United States of America and in all foreign countries and in all Patents in the United States of America and all foreign countries which may be granted therefore and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, and any right, title and interest in and to the above mentioned trademark applications and/or registrations and any goodwill associated therewith, the same to be held and enjoyed by the said assignees, for their own use and the use of their successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by the assignors, had this release, sale and assignment not been made.
