ASSIGNMENT

WHEREAS, Vilas M. Chopdekar, a citizen of the United States of America, residing at 24 Adele Court, Edison, NJ 08817 and Mary P. Ciamaga, a citizen of the United States of America, residing at 53 Mandon Drive, Wayne, NJ 07470, have invented certain new and useful improvements in

HALIDE-FREE GLUCOSAMINE BASE-ORGANIC ACID SALT COMPOSITIONS (Docket No. JFCT-8-05)

for which we have executed an Application for Letters Patent in the United States on even date herewith;

WHEREAS, JFC Technologies, LLC, a corporation of the State of New Jersey, having its principal office located at 100 West Main Street, P.O. Box 669, Bound Brook, NJ 08805, is desirous of obtaining the entire right, title and interest in, to and under the said improvements and the said application;

NOW, THEREFORE, for other good and valuable consideration, the receipt of which is hereby acknowledged, we the said Vilas M. Chopdekar and Mary P. Ciamaga, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, to the said JFC Technologies, LLC, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said improvements, and the said application and all divisions, renewals, and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, including the right to claim priority under the terms of any appropriate International Convention based upon said application for Letters Patent of the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said JFC Technologies, LLC, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the interest herein assigned in the manner hereinabove set forth, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said JFC Technologies, LLC, its successors, legal representatives and assigns, any fact known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisions, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said JFC Technologies, LLC, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in the United States.
