ASSIGNMENT

WHEREAS William A. Whittenberger, a citizen of the United States, residing at 5950 Eagle Creek Road, Leavittsburg, Ohio 44430, hereinafter referred to as the undersigned, is the sole inventor of the invention entitled METHOD FOR MAKING A LOW-COST HIGH-TEMPERATURE HEAT EXCHANGER, for which on the date set forth below, the undersigned executed an application for United States Letters Patent, and

WHEREAS Catacel Corp., a corporation of Ohio, having a place of business at 7998 Gotham Road, Garrettsville, Ohio 44231, hereinafter referred to as the assignee, is desirous of acquiring the entire right, title and interest in said invention, said application and all letters patent issuing for said invention,

NOW THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable consideration, receipt of which is acknowledged by the undersigned, the undersigned, intending to be legally bound, does hereby sell, assign and transfer to the assignee and assignee's legal representatives the entire right, title and interest, for the United States of America, its territories and possessions, and for all foreign countries, in said invention, said patent application and all divisions, continuations, and continuations-in-part thereof, and in all letters patent, including all reissues, reexaminations, and/or extensions thereof, issuing for said invention, and in all rights of priority which may be claimed from any U.S. or foreign patent application relating to said invention.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding

relating thereto, to execute all instruments, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement, or defense of Letters Patent(s) for said invention, without charge to the undersigned but at the cost and expense of the assignee, and to execute all instruments necessary to carry out the intent of this instrument.

The rights and property herein conveyed by the undersigned are free and clear of any encumbrance.

The undersigned hereby requests the Commissioner of Patents and Trademarks, and duly empowered officials in any foreign country, to issue Letters Patent in the United States and foreign countries, respectively, for said invention, in the name of the assignee.

William A. Whittenberger

On this 13 day of Sept., 2005, before me personally appeared William A. Whittenberger, to me known to be the person described in and who executed the foregoing instrument and acknowledged that he executed the same for the purposes therein contained.

Witness my hand and notarial seal the day and year immediately above written.
