ASSIGNMENT FOR RECORDATION

WHEREAS, C3 Scientific Corporation (the "C3") made certain inventions or discoveries (or both) set forth in an Application for Letters Patent of the United States of America as set forth in Schedule A.

WHEREAS, the Regents of the University of California, a California corporation having its statewide administrative offices located at 1111 Franklin Street, 12th Floor, Oakland, CA 94607-5200 and who, together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the entire right, title and interest together with the benefits and privileges hereinafter recited;

WHEREAS, C3 and Assignee have entered into that certain Patent Assignment and Management Agreement dated May 18, 2005 ("Assignment Agreement");

NOW, THEREFORE, C3 and Assignee confirm and agree that, for good and valuable consideration and according to the terms and conditions as set forth in the Assignment Agreement, C3 hereby, without reservation;

1. Assign, transfer and convey to Assignee its entire right, title and interest together with the benefits and privileges in and to said inventions and discoveries, said Application for Letters Patent or similar forms of protection of the United States of America, and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and convention applications based in whole or in part upon said inventions or discoveries, or upon said application, and any and all Letters Patent, reissues and extensions of Letters Patent or similar forms of protection granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent;

2. Authorize Assignee to file patent applications in any or all countries or groups of countries on any or all of said inventions and discoveries in WDS name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or any other relevant convention or treaty or otherwise;

3. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of its entire right, title and interest therein, or otherwise as Assignee may direct;

4. Warrant that C3 have not knowingly conveyed to others any rights in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that C3 have good right to assign the same to Assignee without encumbrance;

5. Bind C3's successors, legal representatives and assigns, as well as C3 itself, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to C3 or them, all acts reasonable serving to assure that said inventions and discoveries, said patent applications and said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by C3, its successors, legal representatives and assigns if this assignment had

not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to us relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in C3 control or in the control of C3 successor, legal representatives or assigns which may be useful for establishing any facts of our conceptions, disclosures, and reduction to practice of said inventions or discoveries.
