ASSIGNMENT

WHEREAS, I, Norman O. Berg of 816 Third Avenue N.E., Roseau, MN 56751; Robert C. Aronson of 41773 State Highway 11, Roseau, MN 56751; Levi J. McCarroll of 3405 Erickson Drive, Camrose, Alberta T4V 3X1, Canada; and Lance L. Anderson of 28169 County Road 31, Roseau, MN 56751, respectively, have invented certain new and useful improvements in STEERING CONVERSION VEHICLE, for which a utility application is being made, said application which may be identified in the United States Patent Office by Application No. 11/197,146, Filed: August 4, 2005.

WHEREAS, Polaris Industries Inc. ("Assignee"), a corporation organized and existing under the laws of the State of Delaware, and having its principal offices at 2100 Highway 55, Medina, MN 55340-9770, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefore;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration to me in hand paid by said Assignee, the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, my entire right, title and interest in and to said utility application, hereto including the inventions therein described and claimed and to any other application from which those applications claim priority in whole or in part; all rights to enforce patent rights to such applications and Letters Patents as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment had not been made; together with all claims by Assignor for damages by reason of past infringement or for provisional rights and including the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns, and other legal representatives; all renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions thereof, or any applications which claim any priority rights thereof; all foreign applications based thereon; and the right to apply for patents in foreign countries in its own name, including the right to claim any priority rights to which such foreign applications are entitled under international conventions, treaties, or otherwise; all United States or foreign Letters Patents which may issue with respect to such applications and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

I hereby authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration I do hereby covenant and agree with the said Assignee, its successors and assigns, that I will not execute in writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors

and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my seal as dated below.
