**ASSIGNMENT**

Whereas, I, Frank William Dean, of Harris County, Houston, Texas, in the United States of America, have invented "UREA PHOSPHITE" for which I am making or have made application for Letters Patent of the United States; and

Whereas, LIDOCHEM, INC., a Delaware corporation, having a place of business at 20 Village Court, Hazlet, NJ 07730, is desirous of acquiring an interest therein;

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, by these presents do sell, assign and transfer and convey unto LIDOCHEM, INC., its successors and assigns, the full and exclusive right, for the United States of America and its territorial possessions and for any and all foreign countries, in and to the said invention, described in the United States Provisional Patent Application No. 60/610,747, filed September 17, 2004, and the United States Patent Application filed or to be filed in September 2005 in the United States claiming priority to that Provisional Patent Application, and any divisional, continuing or reissue applications based on that United States Patent Application preparatory to obtaining Letters Patent of the United States therefor; said invention, application and any and all Letters Patent issuing therefor to be held and enjoyed by LIDOCHEM, INC., for its own use and behoof, and for its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me and had this assignment and sale not been made.

And I do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any divisional, continuing or reissue application or applications for patent based on the Provisional Patent Application or the United States Patent Application, as well as for any other U.S. or foreign application for patent which relates to the said invention.

And I do further agree to communicate to LIDOCHEM, INC., its successors, assign or other legal representatives, such facts relating to the invention disclosed in the present application or Letters Patent issuing thereon as may be known to me, and to testify as to such facts in any interference or other litigation.

Executed this 16th day of September, 2005, at Houston, Harris County, Texas, U.S.A.
