ASSIGNMENT

WHEREAS, I, Francis T. McGreevy, having a residence address of 2566 South Cimarron Street, Aurora, Colorado 80114; and I, Katherine R. Pavlovsky, having a residence address of 26 Black Bear Lane, Littleton, Colorado 80127, as joint inventors, have made a certain new and useful invention relating to a METHOD AND APPARATUS FOR PRECURSIVELY CONTROLLING ENERGY DURING COAPTIVE TISSUE FUSION for which an application for Letters Patent of the United States has been made, said application being identified by Docket No. 24.365 in the law firm of John R. Ley, LLC, 5299 DTC Boulevard, Suite 610, Greenwood Village, Colorado, 80111-3327, and which is executed concurrently herewith, and

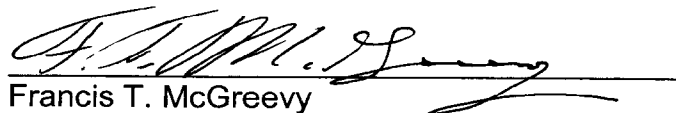

WHEREAS, ConMed Corporation, Assignee, a New York corporation, whose post office address is 525 French Road, Utica, New York, 13502-5994, desires to acquire the entire interest in and to said invention, said application and the Letters Patent to be obtained therefor:

NOW THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and set over and by these presents do hereby sell, assign and set over unto the said Assignee and said Assignee's legal representatives, successors and assigns, my entire right title and interest in and to the above-identified patent application and invention, all national and regional applications and all rights of priority derived from and corresponding thereto, and all Letters Patent, both foreign and domestic, that my or shall issue thereon; and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee, agreeably with the term of this Assignment.

UPON SAID CONSIDERATION, I hereby covenant and agree with the said Assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional

consideration, but at the expense of the said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, renewal, reissued, reexamined or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits and declarations, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the successors, assigns and legal representatives of the parties hereto.

IN WITNESS WHEREOF, I have signed this ASSIGNMENT on this 16 day of September, 2005.
