## ASSIGNMENT

WHEREAS, I, **Elvir Causevic**, a citizen of the United States, resident of the State of **Missouri**, whose full post office address is **5900 Nina Place #3, St. Louis, Missouri 63112** have invented certain improvements in **ELECTRODE ARRAY** for which I have made, and have executed, application for Design Patent, identified as **Attorney's Docket No. KEDI 9435 US**;

AND, WHEREAS **Everest Biomedical Instruments Co.**, with offices at **16690 Swingly Ridge Road, Suite 140, Chesterfield, MO 63017, United States of America** is desirous of acquiring the entire right, title and interest in and to said improvements in **ELECTRODE ARRAY** and all patent rights therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, said **Elvir Causevic** do hereby sell, assign, transfer and set over unto said **Everest Biomedical Instruments Co.**, the entire right, title and interest in and to said improvements, and in and to all Design Patent, Letters Patent, and patent rights which may be granted or issued for said improvements, in the United States and all foreign countries, and any reissue, reexamination, continuation, continuation-in-part, division, or extension thereof, the same to be held and enjoyed by said **Everest Biomedical Instruments Co.**, a corporation, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this Assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to effectuate this Agreement.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue that said Design Patent, when granted, to the said **Everest Biomedical Instruments Co.**, a corporation, its successors and assigns, as assignees of the entire right, title and interest in and to said improvements, for the sole use and behoof of said **Everest Biomedical Instruments Co.**, a corporation, and for its successors and assigns, to the full ends of the terms for which Design Patent may be granted.

AND I further grant to **Everest Biomedical Instruments Co.**, a corporation, its successors and assigns, the right to claim for any application for patent for said improvements the full benefit of any international agreement between the United States and any foreign country or countries.

AND my attorney is hereby authorized to insert in this Assignment the Serial No. and filing date of said application, when advised thereof, as follows:
