## TERMINATION OF SECURITY INTERESTS IN PATENTS

This Termination of Security Interests in Patents (the "**Termination**") is made and entered into to be effective as of August 31, 2005 (the "**Effective Date**"), by and between Lasalle Bank National Association, fka Lasalle National Bank ("**Lasalle**") and Seaboard International, Inc., a Texas corporation with a location at 13815 Hwy 288, Houston, TX 77047 ("**Seaboard**").

### Background:

1. Lasalle and Seaboard entered into a Collateral Patent Security Agreement (the "**Security Assignments**") executed as of July 1, 2001. The Security Assignments evidenced Lasalle's security interests in the following United States issued patent (the "**Patent Collateral**"):

Patent Title	Patent No.	Issue Date
"Convertible High or Low Pressure Pilot Valve"	4,643,228	2/17/87

Each such Security Assignment was subsequently recorded with the United States Patent and Trademark Office.

2. Lasalle now desires to terminate its security interests in the Patent Collateral.

NOW, THEREFORE, for good and valuable consideration, in consideration of the foregoing and in consideration of the mutual covenants contained herein, Lasalle makes the following Termination:

### Termination

Lasalle hereby terminates its security interests in the Patent Collateral and hereby releases Seaboard, Hunt Valve Company, Inc. and each of the successors and assigns of Hunt Valve Company, Inc. from all obligations in connection therewith.

IN WITNESS WHEREOF, Lasalle has caused this Termination to be executed in its respective name by a duly authorized officer, to be effective as of the Effective Date.

Lasalle Bank National Association  
fka Lasalle National Bank
