Docket No. 62239.10003

**ASSIGNMENT**

WHEREAS, we, Jonathan Richard Fiello, residing at 13634 Oak Mesa Drive, Yucapia, California 92399; David James Miles, residing 27696 Doreen Drive, Sun City, California 92586; and Steve NMI Williams, residing at 24969 Tulip Avenue, Loma Linda, California 92354, the undersigned inventors and the ASSIGNORS herein, have invented **An Air Filter With A Protruding Inner Filtering Portion**, for which an application for Letters Patent of the United States was filed on September 30, 2004, U.S. Application Serial No. 29/214,405, of which inventions and improvements we are the joint owners; and

WHEREAS, K&N Engineering, Inc., a corporation organized and existing under the laws of the State of California, having a place of business at P.O. Box 1329, Riverside, California 92502, (hereafter called the "Assignee") is desirous of acquiring the entire interest in all inventions disclosed in said application;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable considerations to me paid by said Assignee, the receipt and sufficiency whereof is hereby acknowledged, We do hereby sell, assign, and transfer unto said Assignee, its successors and assigns, the entire right, title and interest throughout the world in and to all said inventions disclosed in said application; and in and to said application, including all priority rights for other countries arising from said application; and in and to all substitutions, divisions, and continuations thereof; and in and to all Letters Patent, United States and foreign, that may be granted for said inventions; and in and to all extensions, renewals, and reissues thereof.

And we do hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

And for the consideration aforesaid, we do hereby, for me and for my legal representatives, further covenant and agree with said Assignee, its successors and assigns, that we have full and unencumbered title to the inventions and application above described and hereby assigned, which title we warrant unto said Assignee, its successors and assigns; that we have granted to others no license to make, use, or sell said inventions; and that we will not execute any instrument in conflict herewith.

And for the consideration aforesaid, we do hereby, for me and for my legal representatives, further covenant and agree with said Assignee, its successors and assigns, that upon request we will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignee, its successors and assigns, any facts known to me relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said inventions;
