For value received, we, **Dustin Ciepliski** of 116 Riverview Close SE, Calgary, Alberta T2C 4C6, and **Jeff Hansen** of 405 Rolling Oaks Ridge, Cedar Hill, Texas 75104, hereby sell, assign and transfer to **Air Vent, Inc.**, a Delaware corporation, with its principal place of business located at 3000 West Commerce, Dallas, Texas 75212, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **EXTERNALLY BAFFLED RIDGE VENT** described in an application for Letters Patent of the United States executed on even date herewith, and all the rights and privileges in said applications and under any and all Letters Patent and any divisions, continuations, continuations-in-part, reexamination certificates, reissues, and extensions thereof that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to **Air Vent, Inc.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize **Air Vent, Inc.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Air Vent, Inc.** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **Air Vent, Inc.** in the United States and in all countries foreign to the United States, or to such nominees as **Air Vent, Inc.** may designate.
