and in and to said application and all divisional applications, continuation applications,  
 continued prosecution applications, continuation-in-part applications, substitute applications,  
 renewal applications, reissue applications, reexaminations, extensions, and all other patent  
 applications that have been or shall be filed in the United States and all foreign countries on  
 any of said improvements; and in and to all original patents, reissued patents, reexamination  
 certificates, and extensions, that have been or shall be issued in the United States and all  
 foreign countries on said improvements; and in and to all rights of priority resulting from the  
 filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said  
 improvements in its own name; and that, when requested, without charge to, but at the expense  
 of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith  
 the intent and purpose of this Assignment, the undersigned will execute all divisional  
 applications, continuation applications, continued prosecution applications, continuation-in-part  
 applications, substitute applications, renewal applications, reissue applications, reexaminations,  
 extensions and all other patent applications on any and all said improvements; execute all  
 rightful oaths, assignments, powers of attorney, and other papers; communicate to said  
 Assignee, its successors, assigns, and representatives all facts known to the undersigned  
 relating to said improvements and the history thereof; and generally assist said Assignee, its
