ASSIGNMENT

WHEREAS, I, GANG LI, a citizen of the Peoples' Republic of China, residing at 120 Rustinburg Court, Clemmons, North Carolina 27012, as assignor, has invented a new and ornamental design for an invention relating to a HEAT PUMP FOR A SWIMMING POOL, for which an application for United States design patent was filed on September 28, 2005 as Application Serial No. 29/239,290.

WHEREAS, H-TECH, INC., a corporation organized and existing under the laws of the State of Delaware and having a place of business at 103 Springer Building, 3411 Silverside Road, Wilmington, Delaware 19810, as assignee, is desirous of acquiring all right, title and interest in and to said invention, said application and any Design Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor, hereby sell, assign and set over to said assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid application for patent, all original, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said design application and/or applications resulting therefrom to said assignee herein, as assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said assignee.
