ASSIGNMENT

WHEREAS, TERRANCE F. TUGGLE (hereinafter referred to as "assignor") depose and say that I am a citizen of the United States of America and an individual residing at 912 Webster Street, Jeffersonville, Indiana 47130 have invented certain new and useful improvements in a mold removal and cleaning solution for which I have filed an application for United States Letters Patent filed November 4, 2005 with an Application Number 11/266,342; entitled MOLD REMOVAL AND CLEANING SOLUTION; and

WHEREAS, TERSUS TECHNOLOGIES L.L.C. (hereinafter referred to as "Assignee") a corporation organized under the laws of Kentucky, having a principal place of business at 401 W. Main Street, Suite 1400, Louisville, Kentucky 40202, is desirous of acquiring my entire right, title, and interest in and to the said invention, and in and to the said provisional application and any application based on said provisional application thereon and any Letters Patent or patents that may issue thereon;

NOW THEREFORE, for and in consideration of five dollars (\$5.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell and assign to the said Assignee its successors and assigns, the entire right, title, and interest in and to the said invention and in and to the said provisional application, any patent application(s) based on said provisional application, any PCT application(s) based on said provisional application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, and extensions thereof; and Assignor hereby authorizes and requests the Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom insofar as his interest is concerned, to the said Assignee of his entire right, title, and interest;

Assignor also hereby sells and assigns to Assignee's successors and assigns, his foreign

rights to the invention disclosed in said provisional application, in all patent granting countries of the world, including the right to file applications and obtain patents for said invention in Assignee's own name in said countries and including all rights of priority in said countries under the terms of the International Convention for the Protection of Industrial Property, and Assignor, further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights;

Assignor hereby further agrees that she will communicate to said Assignee or to its successors, assigns, and legal representatives, any facts known to her respecting any improvements, and at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said Assignee its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I have set my hand and seal this 2nd day of Nov., 2005.

Witness
