ASSIGNMENT

In consideration of One Dollar and other good and valuable consideration, of which we acknowledge receipt, we,

Edward Norman Peters of 103 West Street, Lenox, MA 01240
Christina Louise Braidwood of 1541 Keyes Avenue, Niskayuna, NY 12309

sell and assign to General Electric Company, a New York Corporation, having an address at 1 River Road, Schenectady, New York 12345, USA (hereinafter referred to as "Company"), its successors and assigns the entire right, title and interest in and to the improvements in **POLYMER COMPOSITION, METHOD, AND ARTICLE** invented by us, as described in the application for United States Patent executed concurrently herewith, and any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said improvements or resulting therefrom to said General Electric Company, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Company, we will communicate to said Company or its representatives or nominees any facts known to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, assigns, and nominees to obtain and enforce proper patent protection for said improvements in all countries.
